

# OS 12000 Bookcopy

Easy, fast  
and effective.

Innovative and  
Ergonomic

*The Future of the Past.*

# OS 12000 Bookcopy

Easy, fast and  
effective.

*“Nothing is stronger than an  
idea whose time has come.”*

*Victor Hugo (1802–1885)*

Form follows function. Innovative design,  
the latest lighting technology, and easy-

to-use functions are the features of our  
new generation of book scanners.

Everything you need to copy large-format  
documents, books, and maps. The OS  
12000 Bookcopy is the ideal, future-proof  
solution. The OS 12000 range also includes  
the OS 12000 G grayscale scanner and the  
OS 12000 C color model. The rear, glare-  
free illumination and the intuitive operating  
system, with monitor image viewing, provide  
perfect results. Faulty copies and uneven  
illumination are thus things of the past.

The OS 12000 range is particularly kind  
to documents and is user-friendly thanks  
to its very high processing speed – with a  
scanning time of one second, it is quicker  
than the blink of an eye. The low level of  
light emission does not just protect valuable  
documents but also makes operating it safe,  
efficient, and ergonomically functional. With  
its functional form, the OS 12000 Bookcopy  
makes copying child's play. It combines  
innovation and intuition in a unique way  
– and wins everyone over with  
its top design quality.

## Product advantages

- Easier than a copier system
- No faulty copies
- High scan speed  
(Scan time only 1 sec. per scan)
- No reflections with high-gloss originals
- No dazzling, no heat load
- High output quality
- Excellent cost-performance ratio

## Specifications

**Description:** overhead copy system for books, newspapers and large-format documents (certificates, drawings, maps)

**Original formats:** 635 x 460 mm (>DIN A2)

**Book cradle:** maximum book thickness 100 mm

**Auto focus approx. 50 mm**

**Scan mode:** 12-bit grayscale and 1-bit b&w

**Maximum resolution:** 300 ppi (600 ppi optional)

**Scan speed:** 1 sec. @ 300 ppi

**Scanner interface:** Firewire

**Data display:** hard copy: direct connection to laser printer A4/A3; digital data output: direct output via USB, memory card, CD, DVD via optional media center

**Operator terminal:** easiest operation via 17-inch monitor and navigation pad

**Power requirement:**

230 V, 50/60 Hz, 1.1 A

**Accessories:** laser printer, workstation

**Dimensions:**

(w x d x h) 950 mm x 890 mm x 1,250 mm

**Work space:**

(w x d) 700 mm x 720 mm
